Presents the 24th Annual

INTERNATIONAL CONFERENCE ON
PRACTICAL APPROACHES TO
THE TREATMENT OF OBESITY

Thursday - Saturday
June 17 - 19, 2010
Royal Sonesta Hotel
Cambridge, MA

Course Directors

George L. Blackburn, MD, PhD
Harvard Medical School
Boston, MA

Lee M. Kaplan, MD, PhD
Harvard Medical School
Boston, MA

Daniel B. Jones, MD, MS
Harvard Medical School
Boston, MA

Caroline M. Apovian, MD, FACP
Boston University School of Medicine
Boston, MA

New Specialty Tracks
Introduced in 2010

Sponsored by:
Beth Israel Deaconess Medical Center
Department of Surgery
The Obesity Society
Boston Obesity Nutrition Research Center
A MESSAGE FROM THE DIRECTOR

GEORGE L. BLACKBURN, MD, PHD

Dear Colleague:

As Congress prepares to enact the most significant overhaul of the nation’s health care system in more than a generation, effective management of obesity has taken center stage as a top priority. In our roles as healthcare professionals, it is our responsibility for us to stay on top of the latest treatment and research findings in the fast-growing field of obesity medicine.

Now in its 24th year at Harvard Medical School, the International Conference on Practical Approaches to the Treatment of Obesity offers many opportunities to learn from and interact with nationally recognized experts from across the country as well as conference participants from around the world.

The three-day course includes plenary lectures and specialty tracks that provide in-depth coverage of a broad range of leading-edge topics and specific subject areas. The program delivers novel insights into today’s most compelling issues, including:

• The neurobiology of cognitive processes and behaviors required to change ingrained eating, lifestyle, and physical activity habits
• How to apply the principles and practices of obesity medicine
• The latest strategies in Pharmacology, Cardio/Diabetes, Surgery, CAM, Pediatric, and other key areas of obesity medicine
• How to use the latest translational science in clinical settings
• Introducing an exclusive pediatric session on Saturday

I encourage you to attend this conference; to join leading physicians, nurses, scientists, psychologists, and behavior and nutrition therapists involved in the increasingly specialized discipline of obesity medicine.

To ensure your reservation, please register as early as possible. Space is limited and the conference sells out quickly. Also, please feel free to forward this message to colleagues.

REGISTRATION:

1. Complete and return the enclosed registration form,
   OR

We look forward to seeing you this June in Boston.

Sincerely,

George L’Blackburn, MD, PhD
Course Co-Director

We hope to see you in Boston!

COURSE OBJECTIVES

For over 20 years, our goal has been to provide healthcare professionals with the latest tools and knowledge needed to provide the best available evidence-based care in their specific areas of practice. Attendees will hear renowned authorities from the country’s leading obesity treatment centers speak on critical topics in obesity treatment and weight management.

Upon completion of this course, participants will have gained knowledge of:

• How to identify, evaluate, and manage high risk patient populations
• Current and future pharmacological treatment approaches
• How to apply effective counseling and behavior modification techniques
• The most current science on energy homeostasis
• The role of complementary and alternative medicine in obesity management
• Strategies for the treatment of obese pediatric patients

SPECIALTY TRACKS

Specialty Tracks are designed to be interactive and provide more detailed information needed to put into practice the knowledge presented in the plenary sessions. During each specialty track, four topics are presented simultaneously in separate rooms.

The following are examples of some of the topics that will be offered:

• CAM:
  • CAM - Meditation, Acupuncture, Hypnosis
  • The Mind-Body Approach to Weight Management
  • Finding Quality Information on Dietary Supplements at the Point of Care

• Integrative Medical Therapies

• CARDIO/DIABETES:
  • Physiological Adaptations to Weight Loss: Do Our Bodies Cause Us to Gain Weight?
  • Cardiovascular Management for Type II Diabetes
  • Type II Diabetes Guidelines
  • Latino Diabetes Initiative

• EXERCISE:
  • How to Implement Progressive Resistance Training
  • Musculoskeletal Risk to Exercise Training
  • Prevention Vs. Rehab in Cardiovascular Exercise
  • Why Wait Exercise Program

• LIFESTYLE:
  • Coaching and Primary Care
  • Coaching and Resistance Exercise
  • The Obesity Epidemic: A Crisis in Confidence
  • Calling for Professional Coaches

• TELEPHONE WEIGHT LOSS COACHING PROGRAM

WHO SHOULD ATTEND

• Bariatricians
• Endocrinologists
• Internists
• Managed Care and Benefits Executives
• Pediatricians
• Primary Care Physicians
• Psychiatrists
• Psychologists
• Weight Loss Surgeons
• Dietitians
• Exercise Physiologists
• Health Educators
• Nurses
• Nurse Practitioners
• Nutritionists
• Physician Assistants
• Physical Therapists

One of the most important benefits of attending the course comes from not only interacting with expert faculty but also from the informal interaction between course attendees who come from a wide variety of health backgrounds, from almost every state in the U.S. and from over 20 countries internationally.

SATURDAY, JUNE 19, 2010
8:00-9:00am Continental Breakfast

Plenary Session 3.1
9:00-9:40 Weight Loss Treatment in Early Post-Menopausal Breast Cancer
George L. Blackburn, MD, PhD

9:40-10:20 New Frontiers in Weight Loss Surgery
Scott A. Shikora, MD

10:20-10:40 Panel Discussion

10:40-11:00 Coffee Break

Plenary Session 3.2
11:00-11:40 Obesity and Probiotics
Caroline M. Aposhian, MD, FACP

11:40-12:10 Rational Strategies for Obesity Therapy: Where are We Now and Where are We Going?
Lee M. Kaplan, MD, PhD

12:10-12:30 Panel Discussion

12:30-1:30 Lunch On Your Own

1:30-4:00 ENVIRONMENT & PEDIATRIC OBESITY SESSION

Plenary Session 3.3 Moderators: Robert Berkowitz, MD & Carine Lenders, MD, MS, ScD
1:30-2:00 Influence of the Intrauterine and Infant Environment on Obesity and Metabolic Disease
Emily Oken, MD

2:00-2:30 Poverty and Obesity: A Call for Action
Lauren Smith, MD, MPH

2:30-2:45 Coffee Break

2:45-4:00 CONCURRENT TRACKS: CHOOSE ONE
Pediatric #8.A Moderator: Carine Lenders, MD, MS, ScD
2:45-3:15 Recognizing Care to Deliver Specialized Obesity Treatment within Community Health Centers
Shikha Anand, MD

3:15-4:00 Disparities in Obesity: A Cultural Approach
Vivian Morris, MS, RD, MPH, LDN & Alejandra Rodriguez-Flores, MD, RD, LDN

Pediatric #8.B Moderator: Robert Berkowitz, MD
2:45-3:15 Challenging Cases: Serving the Very Young and Underserved
Lauren Oliver, MD, RD, LDN

3:15-4:00 Adolescent Weight Loss Surgery: Early Referral is Key
Janey Pratt, MD

4:00 Adjourn

ACCREDITATION

Physicians & Physician Assistants: Harvard Medical School is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. Harvard Medical School designates this educational activity for a maximum of 19.5 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Dietitians: Application for continuing education credits has been made to the American Dietetic Association.

Nurses & Nurse Practitioners: This educational activity meets the requirements established by the Massachusetts Board of Registration in Nursing for the awarding of contact hours.

Policy on Disclosure: As a sponsor accredited by ACCME, it is the policy of HMS to require faculty to (1) disclose any significant financial interest or relationship with Commercial Supporters of the CME activity or the manufacturer(s) of any commercial product/service discussed as part of their presentation and (2) advise the audience of unlabeled or unapproved uses of drugs or devices to which they refer in their presentation in a meaningful way. This activity will be supported by educational grants. A full listing of commercial supporters will be provided in the course materials.

REGISTRATION INFORMATION 2010

- Tuition: $595 (USD)
  $495 (USD) per person – groups of 4 or more
- Residents*/Fellows in Training*: $495 (USD)
  *with letter of verification from Department Chair
- Allied Health Professionals: $495 (USD)
- Attendees Outside US: $395 (USD)

All foreign payments must be made by a draft on a US bank, Visa or MasterCard. The registration fee includes an extensive syllabus, audio CD, continental breakfast each morning, refreshments during morning & afternoon breaks and certificate of completion.

IF PAYING BY CHECK: make it payable to Harvard Medical School and mail with the completed registration form to: Harvard Medical School-Department of Continuing Education, PO Box 825, Boston, MA 02117-0825.

IF PAYING BY CREDIT CARD: telephone, fax or mail-in registrations are not accepted. Please register online at www.cme.hms.harvard.edu/courses/practical. To ensure proper registration, please add the first three characters of the source code found at the bottom of the registration form.

Upon receipt of your registration form an email confirmation from the HMS-DCE office will be sent to you. Therefore, be sure to include an email address that you check daily/frequently. Your email address is used for critical information about the course, including registration confirmation, course evaluation and certificate.

REFUND POLICY: A handling fee of $60 is deducted for cancellation. Refund requests must be received by mail one week prior to the course. No refunds will be made thereafter.
